

2014: WAZA Annual Conference to be held in New Delhi, India hosted by the Central Zoo Authority

B.S. Bonal, Member Secretary of the Central Zoo Authority, announced and invited WAZA members to the 69th WAZA Conference. This is to be held for the first time in India a credit to Dr. Brij Raj Sharma, when he was CZA Member Secretary, and had the foresight to bid for the conference. WAZA Council selected India over the other bidders and now this event is in the process of materialising. The conference will take place in New Delhi 02-06 November 2014. CBSG also will meet in New Delhi a few days before WAZA as is the now an established tradition. Congratulations to CZA. Photo: Swalker
