

Call for donations

In the first phase of the fundraiser for the Sally Walker Conservation Fund, we target three objectives.

- (i) The Sally Walker Lifetime Award for Conservation
- (ii) The Sally Walker Training Programme in Conservation Biology and Application
- (iii) Communicating Science for Conservation through innovative education programs

We solicit your generous contributions to the above activities of your choice. Please log onto our website www.zooreach.org and click on the **SWCF page** for information on how to donate.

You can also click here to go directly to the donation page.
