

World Ocean Day (8 June) is less than a month away! Find tools and resources to help you plan your outreach, activities, and events at WorldOceanDay.org including: the [2022 Event Planning Toolkit](#), the [Social Media Toolkit](#), as well as the [Events Calendar](#) and [World Map](#) where you can [list any event, activity, or announcement](#) to share your efforts with the world. To help build the national and global movements, we are encouraging [action](#) to protect 30% of our lands, waters and ocean by 2030. Fill out this [interest form](#) to stay updated.
