

## Call for donations

In the first phase of the fundraiser for the **Sally Walker Conservation Fund**, we target three objectives.

- (i) **The Sally Walker Lifetime Award for Conservation**
- (ii) **The Sally Walker Training Programme in Conservation Biology and Application**
- (iii) **Communicating Science for Conservation through innovative education programs**

We solicit your generous contributions to the above activities of your choice. Please log onto our website [www.zooreach.org](http://www.zooreach.org) and click on the **SWCF page** for information on how to donate.

You can also click [here](#) to go directly to the donation page.
