

ART FOR CONSERVATION

Zoo Outreach Organisation (Zooreach) presents the Art for Conservation workshops with support from the U.S. Consulate General Chennai

Are you a budding artist in theatre, illustrative art, or storytelling? Do you want to communicate pressing issues of the climate crisis and species conservation? Then this is an opportunity for you! We are collaborating with expert/experienced artists who will mentor and train you to achieve this vision.

- **What?** 3 workshops (3 days each workshop in-person) on illustrative arts, Storytelling and performing arts taught by stalwarts in the field
- **Who can apply?** Artists with 2-5 years experience from Kerala, Karnataka, Tamil Nadu, Puducherry, Andaman & Nicobar Islands, and Lakshadweep Islands
- **When?** Between 17-30 April 2024
- **Where?** Coimbatore, Tamil Nadu, India
- **Inclusions:** Stay, food, workshop sessions, and art supplies
- **Exclusions:** Travel to and from Coimbatore
- **How?** Click here to submit your application to any one style of art by **25 March 2024**

Expectations? Selected participants are expected to ~

1. Reach out to at least 25 people who in turn create artworks that are related to species conservation and/or climate crisis that can be showcased at the exhibition in August
2. Each participant is expected to create art work(s) for the exhibition in August, on a topic suggested to them during the training workshop

In case of any queries, please write to art4conservation@zooreach.org
